NOTICE TO THE PUBLIC.
We desire to caution the public against the misrepresentations being made by the so-called cooks and waiters union in regard to the number of hours our employees work.

The facts are that the cooks and waiters and all other help employed by us in our restaurant for the past three months work only eight hours for a day's work and we challenge evidence to contradict these facts. Following is the scale of wages we pay: Cooks, \$4.00 per day, 8 hours. Waiters, \$3.00 per day, 8 hours. Dishwashers, \$2.25 per day, 8 hours. Time and one-half for overtime. The above wages include board. THE ENGLISH KITCHEN, William Truax, Prop. (Advertisement.)

CARPENTIER TOO BUSY AT WAR TO DO BOXING

AVIATION HEADQUARTERS, BEHIND THE FRENCH FRONT IN FRANCE, Oct. 6.—Georges Carpentier heavyweight champion of Europe, was interviewed today by special promoters in America to meet "Jack" Dillon in New York.

Carpentier declared his willingness to meet Dillon when free to do so, and said he would be only too glad to take on Jess Willard subsequently.
